We're celebrating the National Year of Reading with a variety of special offers.

There's an ever-growing diversity of cultures in the UK. Thankfully publishers have risen to the challenge and are producing an enchanting range of books with which to celebrate the fact and improve children's understanding of each other's cultures.

Listed below are 20 books selected from the showroom shelves which are typical of the variety available. Each title may be ordered individually, but you may wish to take advantage of our easy order pack at the special 20% discount.
