New Titles 2008

We're celebrating the National Year of Reading with a variety of special offers.

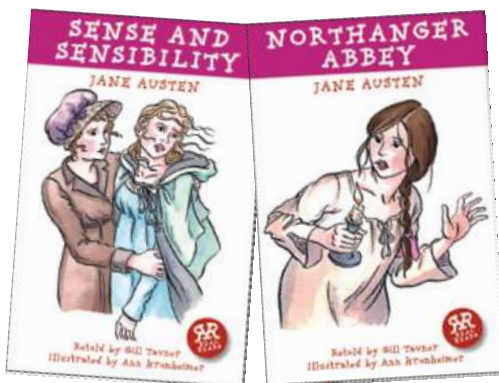

The variety in style of classic title adaptations has soared in recent years. Graphic novels, abridged ESL or plays, they all have their place and we can provide examples in our showroom. However, we believe Real Reads has a great future in schools. This series gives the reader beautifully presented 64 page versions of a growing list of titles and they're only £4.99 each. Next year Bible Stories and other genres will be added to the range and the publisher may soon be offering some titles in other languages.

Contact us if you are especially interested in purchasing class sets for your school as we have some sample copies that can be sent out to you.

A fantastic way to introduce children to classic literature.
