

TIME to create your own fantasy book team

Goalie

Place your chosen player here

Then add how many points you have used on your score card

Defender 1

Place your chosen player here

Then add how many points you have used on your score card

Defender 3

Place your chosen player here

Then add how many points you have used on your score card

Midfielder 1

Place your chosen player here

Then add how many points you have used on your score card

Midfielder 3

Place your chosen player here

Then add how many points you have used on your score card

Forward 1

Place your chosen player here

Then add how many points you have used on your score card

Defender 2

Place your chosen player here

Then add how many points you have used on your score card

Defender 4

Place your chosen player here

Then add how many points you have used on your score card

Midfielder 2

Place your chosen player here

Then add how many points you have used on your score card

Midfielder 4

Place your chosen player here

Then add how many points you have used on your score card

Forward 2

Place your chosen player here

Then add how many points you have used on your score card

You can choose a mix of players from the Men's and Women's squad. The total points for your **11 chosen players** should not exceed 1200.

Project created as part of National Year of Reading 2026
